

2014 BUR Ministry Report: (Including Carolinas, Florida, Tenn, Missouri & New Jersey)

Executive Summary:

We celebrated our 10th Year of full time service by launching a huge update to our brocksupperroom.org website. Reengineered by Samuel Brock, (BUR Tech Director), the site is designed to be a resource for worship, prayer & musicianary training. (Includes a variety of soaking instrumental & scripture tracks, animations, outreach updates, a blog of Prayer Room Thoughts & key biblical teachings—featuring a recent message spoken at the Malta HOP: “Prophetic Worship, The Foundation for Apostolic Cities of Refuge.”)

What’s God Doing? (In summary, we sense the Cloud lifting—that He is on the Move!) During a summer BUR outreach in the NE, we experienced 3 "breaker" waves of God's glory, which we also felt corresponded to the Isaiah Highway Nations & the current crisis in Israel, Syria & Iraq. We are sensing with others in the ME that Isaiah 19 is being fulfilled before our eyes. Just as Egypt was a prayer target, now Iraq (in addition to Syria/Turkey) are to be intensified prayer targets with a view that God is orchestrating a revival that will dwarf all revivals! It will cause Israel to be a light to the Nations, Egypt His people and Assyria His handiwork (See Isaiah 19 & 60).

The following is a 2014 BUR ministry report of activities in the US (while we wait to deploy back to the Middle East as early as the Summer of 2015):

Jan—March

BUR day to day regional ministry in Fort Mill, SC including:

- Daily (family H&B) worship & prayer (7:30—8am)
- Hosting weekly Prayer Community Watch (Sat am cross-generational house meeting of youth & seasoned intercessors: corporate ascent in music/word/prayer)
- Teaching on-line violin (Samuel & Melody—Skype lessons to Turkey & Europe).
- Ongoing weekly distribution of Paneras bread for those in need (MS residents)
- Brock Family worship outreach to local churches (Morning Star MMT, Moravian Lampstand & 90 Day Presence initiatives and Abundant Hope Church, 3 services)
- Secular music outreach in Charlotte, NC (Jazz Arts Initiatives & Café Monte)
- Audio Recording, *ME Communications*, Web/Product planning, develop.& prod.

April—May

Tim, Melody & Samuel taught a 3-Way music class to middle & high-schoolers at the MorningStar K-12 Comenius School for Creative Leadership (CSCL). They combined music foundations with principles of worship while teaching 3 instruments (piano, guitar & percussion). Samuel also helped teach the technology segment. By the end of the 7 weeks, the class, (some total beginners) were playing their own worship song progressions as a team, playing a 1-2 hour set of spontaneous worship for classmates.

June—July

To raise support for his Belmont University “musicianary” training, Joshua (Samuel) gave 2 benefit recitals, playing classical, jazz, fiddle, Turkish and worship selections for the local communities of Fort Mill (Upper Room Chapel) and Kansas City (Bethel Academy). Benefit concerts included his students, friends & family playing the Bach Double Concerto, spontaneous worship with the local youth & standard jazz selections.
