

Dear Faithful Prayer Partners,

Thank you for praying for our Concert of Prayer this past Sunday, Dec 16.

(For those on our email list) The anointing was on the young people (including our 3 six-year-old students) to enter into worship and prayer. Several audience members were moved to tears as they saw this small army of young violinists and flutists (25 of us) play combinations of worship and fiddle songs, as well as two classics; Bach's Minuet 1 and Pachelbel's Canon with scriptures being spoken simultaneously. After playing the hymn "O Come Emmanuel," the students went into another gear as they all played in the Spirit, both together as well as individually. During this segment of the program, many in the audience joined us on the mic for rapid-fire prayer for our families and for our national leaders. The fiddle and Israeli music kept us in an attitude of joyful praise.

Thank you for praying!! WE truly felt the prayer cover!!

Please be in prayer as we go on the road.

Dec 20--leave for Nashville, TN

Dec 22--Family concert at Legacy Crossing retirement home (Franklin, TN)

Jan 13 - Wesley Memorial Methodist Church, Tampa, FL

TBA--Harp and Bowl session with a student group from First UMC St. Pete, FL

We continue to be thankful for His daily provision, not only financially, but the miracles happening in hearts right around us as we cry out to Him.

Please continue to pray for provision for the extended warranty on our van \$2100 and extended dental work for Tim and Melody.

A family will be staying in our home while we are gone, collecting mail, etc. and attending the ONE THING Conference and the Call Kansas City.

May we enter into His rest as we say "no" to overextending, overeating and overachieving. Thank you, Lord, for Your grace to do what we cannot do.

Much love to you all,
Tim and Melody Brock
