

Brock—Israel Ministry Trip

(May 29th — June 23rd)

We sense that God is calling our entire family to minister in Israel with our instruments through prophetic intercession for 3 weeks in June. We feel like we are on assignment—that God will give us specific melodies to “stay” the enemy. As we play, whether classical, fiddle or worship, the spiritual atmosphere changes. Both the Israeli and Arab people love violin and flute music, and have a heart for children.

We will be staying in Poriya with our good friends Dan and Carolyn Hinton. Poriya is located near Tiberias (SW tip of the Sea of Galilee). Samuel (our oldest, 14) will stay on an extra week, continuing to serve in ministry with the Hintons who are full-time missionaries. While there we will plug into their work which includes reaching out to the poor—to both Jewish and Arab families in the region. The Hintons have a daily prayer watch in their home & provide ongoing bible training and discipleship.

Here is a tentative list of some things we are planning to do while in the land:

- Minister with the Hinton’s daughter, Ruth, at the Succat Hallel Night Watch in Jerusalem
- Play/pray over the Temple Mount area from the Mt of Olives viewpoint
- Visit and play with our friends Moshe and Lily Neuman—who are master Suzuki (violin & piano) instructors. (Moshe founded the “Strings of Peace” program that reaches both Arab and Jewish children through Suzuki violin)
- Visit and play/pray with our friends Israel and Effrocine on Samuel’s mountain
- Connect with the End-time Handmaiden’s group in Poriya
- Play/pray with some of the families associated with IHOP (Pamela Stead connections)
- **Swim in the Sea of Galilee and play in some the nearby waterfalls!**

Prayer Needs

1. Pray for our hearts to be broken in a million pieces for His people and for those He wants us to reach. That He will give us the melodies as a family (especially the boys) to be a strength and bulwark: to cause the rage of the enemy to cease! (Psalm 8)
2. Finances: We already have more than half of the funds needed for our flights because of a miraculous tax return and the generosity of our friends and partners. ***Please pray with us for the full amount and for our needs to be met both here and there in the land!***
3. Protection and more Grace (Holy Spirit) for our family, especially Samuel as he stays on (with the Hintons) and returns by himself at the beginning of July.
4. Divine Strategies for building relationship, sharing resources (Scripture & Instrumental CDs etc.) and for laying the foundation for future trips with our Music School Students.

Thank you, We love you—Tim, Melody, Samuel, John, Stephen and Joseph
