

Dear Partners,

*“ . . . My Spirit is abiding in your midst; **do not fear!**”*

*“For thus says the Lord of hosts, “Once more in a little while, I am going to shake the heavens and the earth, the sea also and the dry land. **And I will shake all the nations;** and they will come with the wealth of all nations; **and I will fill this house with glory,**” says the Lord of hosts. The silver is Mine, and the gold is Mine,” declares the Lord of hosts. The latter glory of this house will be greater than the former, . . . **and in this place I shall give peace,**” declares the Lord of hosts.” Haggai 2:6 - 9*

In the midst of economic concerns, God promises peace to those who seek His glory and do good. (Rom 2:7,10) The wisest thing we can do is meet Him in prayer and sow into **His** House.

Prayer for the Election: We are in a spiritual war over the soul of the nation. **We must pray without loosing hope.** (see attached “Thoughts from the Prayer Room”) We see the heart of this nation beginning to awake and to lay hold of destiny that will transcend party, race and political agendas—that a true shift to a culture of life is happening. We feel the urgency to pray intensely for the election. We believe God is raising up a “reform” administration that will drop a new plum-line of national integrity which will lay the foundation for an unprecedented national revival—but *we must pray!*

Israel: We have been invited back to Israel by Pastor Karen Dunham (Living Bread Church) to play our instruments in Palestinian refugee camps and spiritually dark places. She is asking for volunteers to worship prophetically and to minister to the poor. (Tourists have access to these places that citizens aren’t able to go). **The innocent praise coming from the children disarms principalities. One puts to flight a thousand . . .**

The Lord told Karen to **go after the strong man by handing out complete Arab Bibles and ministering to the poor. He will do the rest.** This simple, yet divine strategy is so effective that the Israeli army is asking her to come with her Bibles into specific (lawless) locations. Because of the extreme poverty and spiritual darkness, these refugee camps are a breeding ground for terrorism. Yet, she has divine protection and favor from both Arabs and Israelis. (For more, see [www.livingbreadchurch.org](http://www.livingbreadchurch.org)) .

She was asking if we could come in the winter, even as early as November. We would be responsible for our flights. (She will take care of housing.) Please join us in prayer about the timing. We sense we are to go again with additional members of the music school.

What's Happening in KC: The Lord has brought in approximately 10 new families into our music school, which almost doubles our school. **Please pray** for us and the two other teachers, that we will be filled with His wisdom in raising up this next generation of prophetic musicians. **Please pray** also for the fathers of these families, that they would be released in prophetic unction, declaration and understanding as they lead their families as priests of their homes.
