

Brock's Upper Room presents SWMC:

Suzuki and Worship Music Camp

Kansas City, MO | June 11-16, 2023 | International House of Prayer University, Grandview, MO

Increasing Skill for Music and Worship

If You Come to Camp: 1) Your skill will increase on your primary instrument, in technique & applied theory. 2) You will develop your "flow" & sound in a personal worship language as well as skill in playing on a team. 3) You'll be inspired by these amazing faculty members God has brought to this camp. 4) You'll make new musical friends. **Beginners** (from the very young to the young in heart), will find this camp a "kickstart" for learning an instrument! **Parents** will be renewed in their vision for music instruction & worship in their home.

- Each student will receive a 20 or 30 minute daily lesson (Masterclass) from one of our master teachers from Florida, Ohio, and North Carolina, or International House of Prayer Kansas City (IHOPKC) on their primary instrument.

- Every student will be on a worship team practicing daily, working towards a performance on Friday evening.
- Electives offered in worship violin, guitar, cello, voice, flute, drums, bass guitar, art and recording/sound studio.
