Late December 2021 Ministry Tour Highlights (Dec 25—31)

We began our Winter Family Tour with Samuel & Suzanne, Stephen, Joseph, Melody & Tim. We ministered in a home gathering (St Pete) and at Christian Retreat, News Years Eve. (see below)

Brock Family Playing at Christian Retreat on New Years Eve

Alan & Sandra McCains (Dec 28, 2021 Fort Mill, SC)

A beautiful evening of food & fellowship. A time of intimate worship with friends who are like family. This helped to begin a new season of home gatherings for Alan & Sandra.

Kurt & Terri Ulrich & Feather Sound Community Church (Dec 30, St Pete, FL)

A powerful night of multi-church expressions and a blended worship celebration of the generations. Truly a break-through and demonstration of unity among diverse leaders.

Christian Retreat Family Church (Dec 31, Bradenton, FL)

A sweet time of fellowship over a special meal with our “sending church & dear friends.” We were part of a co-concert with a gifted Israeli singer, ushering in the new year! (So thankful for the covering of our pastors & long-term friends, Phil & Jannette Derstine)

January Ministry Tour Highlights (Jan 2—17, 2022)

Spirit & Truth Ministries (Jan 2, 2022, Tavernier, Keys)

Pastors Marlin & Marion Simon have a long history of faithfulness in the Keys and lead a worship-hungry core of forerunners. This 1st Sun of 2022, the Holy Spirit took us “up” into heavenly places, working in our hearts to heal & restore. (This opened the gate for Blue Water)

Blue Water Community Church (Jan 2-3, Islamorada, Keys)

Pastor Phil Underwood, who hosts the FL Key House of Prayer (Christi & Jeff Dupre), asked us to help with services to lay a foundation for revival. It was a marked time: God's call to prayer, consecration & reset watchmen on the "watery wall" of the FL Keys.

Embassy House of Hope (The Gate) & Eden Homestead (Jan 5-6, Vero Beach, FL)

One of the highlights, personally, as we joined with David & Tracey Ruleman in a glory manifestation of God's presence, as we were aware of Angelic singing & divine healing!

Don & Nancy Conwell, Shiloh Farms (Jan 7-12, Odessa, FL)

Nancy was an encourager to give our family time & space to record and do what we do. While recording, we also led a community soaking set & a Family Worship Workshop for locals as part of University Life, a live FaceBook presentation to leaders worldwide.

Leonard Jones & Daniel Kolenda, Nations Church (Jan 13-16 Orlando, FL)

Leonard asked our family to record (as a string quartet) for several of his new pieces. What we didn't know was that he would open an opportunity to meet Daniel Kolenda and Eddie James and play with Eddie's worship team at Nations Church. Leonard hosted, wrote arrangements and encouraged us through his family & great cooking!

BUR Summer Outreach

Florida Tour Highlights (June 22—July 2):

Christian Retreat, Bradenton, FL (June 22)

Living room worship—the Father brought us into an extravagant time of corporate ascent. The Lord used Samuel & Stephen (supported by Joseph, Suzanne [Zanny], Melody & Tim) to take us into an extended time of "family" worship. Tim then shared his testimony & call to full-time service as God marked hearts, confirming callings & assignments.

Feather Sound Community Church, St Pete FL (June 23)

Tim, Samuel & Zanny lead a diverse (multi-generational) assembly into His love. (A unique combination of teaching intermingled with worship). The service literally broke open as locals began to share & sing spontaneously. The oil became thick, increasing as we all drank deeply of the River of His delight. (It went almost 4 hours, changing the atmosphere through worship!)

Spiritual Meat Ministries International (SMMI), Leesburg, FL (June 24)

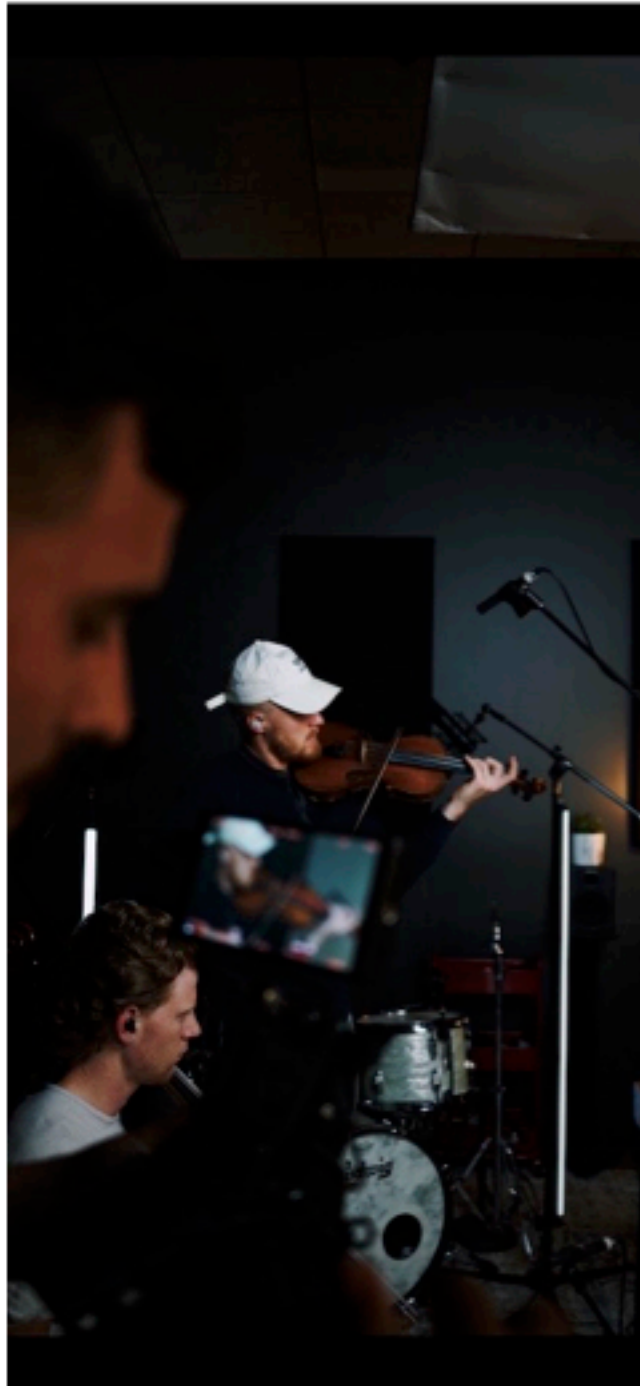

Precious time with the SMMI “gathering of eagles” in the home of Sandy Lindsay. Stephen lead us on a sweet/vulnerable worship journey. Our dear friend Kay shared a rich word-study on the transition between seasons—from division to provision by way of our speech! (Provision in Our Mouth) Little did we know that her husband Rex was soon to have a successful triple bypass.

Embassy of Hope & Eden Homestead, Vero Beach, FL (June 25-26)

Two powerful family-led meetings of worship. We worshiped with (and over) Don Blizzard, (Eden Homestead), sensing that God was revisiting past promises while bringing healing. David and Tracey Ruleman (Embassy of Hope) set the tone for rejoicing as David was recently declared cancer free (‘You too be gone’)! We went up God’s holy hill and felt there was more of us than the eye could see resulting in great freedom in Spirit. We all left with more than we came in with!

Brock Bros Recording in KC

Brock Family Worship with Sandy Lindsay at her Cabin in GA Mountains (June 27-30)

Lindsay Cabin in GA Mountains (June 27-30)

Three nights of rich intimate worship with dear and long term friend Sandy Lindsay in her Georgia Cabin—including several friends who joined in sharing meals and times of spontaneous worship. Many personal words and prophetic pictures re: our family—esp for Stephen & Joseph.

McCain Worship Night Home Gathering, Fort Mill, SC (July 2)

Samuel & Stephen took us on another long & deep expedition into the River of God! Many dear friends came including folks we haven’t seen for years & young adults from past youth SC gatherings! Tim shared 3 aspects that complete an appointed time: God’s “promised” timing, aligning of circumstances and finally the “groan/travail” of God’s people in prayer. (Ex 2:23-24)

Red River Flute Project Praise Report

A huge praise and thank you for the generous donations for the Red River Flute Project! All 7 flutes are beautifully finished & financially covered (over \$8K in donations provided)!!

Other 2022 Family Highlights & Updates

In Kansas City, we had the privilege to host several ministry families and friends. We had a Canadian (Levitical) family of 6, who shared in our times of family (Harp & Bowl) worship and fellowship. We shared our culture of family worship (incl a drum circle session with Stephen).

BUR also hosted a long-term missionary family from Turkey who are currently serving in northern Iraq. We had a wonderful reunion after many years (we served with them in Eastern Turkey in 2013). After, we hosted a dear friend Peter, from Sweden (an exchange student Tim had met in 1985 in New Jersey) who now has 3 young adult children in Sweden, the oldest married! Peter received a breakthrough in peace, in a challenging time of transition.
